Principal Milton Gordon Funeral Services Friday

Milton D. Gordon

SORRY TO HEAR of the death of Helen Johnson, 77, of 1637 Oak View Ave., Kensington, widow of Alfred Johnson, the niece man who brought us carnations from his garden before his death last January. She died at Albany hospital Nov. 10 following a heart attack but there were no funeral notices. One of her friends dropped in to tell us about it.

SOROPTIMISTS had a very successful bake sale at Ber-Wel's Saturday but wound up with lots of homemade cookies left over, so now they have another project—mailing the cookies to Albany boys serving in Vietnam. AHS Dean of Students Jackie Pond suggested the idea, enthusiastically adopted on the spot by other members of the committee.

BERKELEY SCHOOL officials have pointed out that the BHS band did not refuse to appear in the Veterans' Day parade there as reported last week. They had a busy schedule and a couple of key people out with injuries so they could not participate.

THIS WEEK you'll enjoy Thanksgiving, kids, but next on the agenda is the annual Christmas Coloring Contest, which will be published in the Times next week. Watch for it.

UP AT Walker's Pie Shop as of Friday, they had orders for 360 Thanksgiving pies. If you're planning to order pies from them, better hurry.

THE KIDS wanted to take advantage of the nine-cent hot dog special at Der Wienerschnitzel at 944 San Pablo Thursday evening, but the lines were so long they decided they didn't want to wait.

THE POSTAL DEPARTMENT means business about using the zip code on everything. Your Christmas packages and cards will be slowed considerably if you don't zip code the addresses. They have a directory at the Post Office so you can look them up if you don't know them.

MRS. DAGMAR LOIYA won the TV they gave away at Norgie Village Nov. 4, according to Robert L. Magovern, owner of the San Pablo Avenue establishment.

THERE WAS an emergency in Albany the other day in which a young boy walked through a

ORT Selling Edy's Candy

Manzanita and Tilden chapters of Women's American ORT (Organization for Rehabilitation through Training) are now engaged in the sale of a variety of Edy's candies, a project being sponsored throughout the ORT Bay Region for the benefit of the EPIC (Earning Power Improvement Courses) program.

EPIC is one of the six-point programs maintained by ORT, and supports all courses outside of the academic education provided at the regular ORT three or four year high schools.

Chairmen for the candy sale are Mrs. Walter Frank for Manzanita chapter, phone 24-2656, and Mrs. Herman Zell for the Tilden chapter, phone 234-8888. Members of Manzanita and Tilden chapters of ORT include residents of Berkeley, El Cerrito, Richmond, Albany and Pinole.

AHS Choral Ensemble Appears Today

The Soroptimist Club of Albany will be entertained by the Albany High School Choral Ensemble at their luncheon meeting on Wednesday, Nov. 22, at 12 noon, at Serb's restaurant. Miss Johnneva Pond, Dean of Students at the high school, is chairman of the day. Stephen P. Lehmer, head of the music department of Albany High, will be a guest at the affair.

Jane Stamps, president of the Albany club, stated that the role of Soroptimism in World Affairs means extending friendship to all peoples, gain global understanding of peoples, their governments, social institutions, serve to fulfill a citizenship role in foreign and world affairs and to extend friendship, understanding and service to all.

Our Thanksgiving

We thank Thee, Lord, for all our food,
For clothes and shelter that keep us warm.
We're grateful for the gift of life,
That we are here with all we have;

For wildlife and the mountain streams;
Snow-capped peaks and valleys green,
For beauty of the trees and flowers,
For birds that sing and pets we love.

We're grateful for our education,
And for understandings gained from others;
For games and songs and recreation
That help us grow up big and strong.

We thank Thee, Lord, for all of these
Wonderful things this happy day.

Automotive shop students at Albany High school now have a Chevrolet V-8 engine, transmission, nine carburetors, Delcotron generator, regulator, distributor, starting motor, ignition coil and portable electronic tachometer, for use in training instruction, as a result of a gift by General Motors.

Between the Covers

One of the most outstanding art exhibits ever featured at the Albany Public Library is on display during the current month of November. As a Thanksgiving feast for the eyes, it is well worth attending by citizens of all ages in Albany.

The exhibit is a first for the library and features young artists from all four of the Albany elementary schools, Cornell, Martin, Vista and MacGregor.

Sponsoring the exhibit is the Oakland-Piedmont Branch of the National League of American Pen Women under the direction of Aileen R. Jaffe of El Cerrito.

Also new: Basic textbooks from the departments of English, mathematics, social studies, and science have been placed in the reference room of the library.

Following an unpublished but consistent policy of "Operation Cooperation" between Albany schools and Albany Public Library, the textbooks from Albany High school are to be part of the collection for three purposes. One: for the convenience of high school students doing homework at the library; two: William Woolworth, co-ordinator of education for the Albany schools, feels the texts will be of public interest; three: they will be available for parents so that they may be more aware of the school texts their young sons and daughters are using at the high school level.

The basic texts cover grades eight through 12. If the placement of the books is successful, elementary texts will be added and all will become a permanent feature at the Albany Public Library.

This measure as AB 504 passed both houses in 1967, but was vetoed by Governor Reagan. It will be brought before the Legislature again in 1968, and Sen. Sherman will tell us how to insure its passage this year.

The Senator will also outline the prospects for state financial aid to education in '68, and will give his reactions to his first year of service to the citizens of Albany and Berkeley in the Legislature.

The public is invited and urged to come to this important meeting sponsored by the ATA.

SENIOR CITIZENS

846 Masonic Ave.

by Emma Claymore

The Thanksgiving luncheon at the Blue Mill on Solano and operated by Wim and Joyce Voogd was much enjoyed by all and brought out a group of 128 Seniors. It really was more like a dinner except for the hour.

The menu consisted of salad with rolls and butter, a turkey plate with dressing, mashed potatoes, vegetables, cranberry sauce, pumpkin or mince pie and coffee or tea.

The six long tables were each decorated with two turkeys complete with feathers and bobbing heads. All that was lacking was the gobble. They were original creations of Pearl Cook, one of the Seniors. No one could make a mistake in going to the Blue Mill for a meal. The service and food are good and the atmosphere very pleasant.

Our director, Beulah, is back and says that she is glad to get back to our warmer climate, but reports a good time in New York City.

The Seniors still have a few 3x5 foot flags complete with standards if anyone cares to purchase one.

Plans are going forward for the Christmas party for members only. More details later.

We are sorry to report the deaths of two of our members. Both Alma Woods and Past President William Mulligan have died recently and we will miss them. Bill was one of the original club

Silver Anniversary

Mr. and Mrs. James W. Valentine

Mr. and Mrs. James W. Valentine of 925 Cerrito St., Albany, were honored on their 25th wedding anniversary at a surprise party at their home Nov. 11.

Hosts and hostesses were their children, Kathleen, James and Ralph, assisted by Teri Lynn Ferrier, their niece who lives with them, and Mr. and Mrs.

Joachim Hampel and their daughter, Christina. Ninety guests attended the affair.

One of the high lights was the announcement of the engagement of the daughter of the honored couple, Kathleen Lou, to Thomas Ralph Stichler of Pennsylvania,

stationed aboard the USS Kitty Hawk.

Among gifts was a wooden bell-shaped ice bucket, made by their son, James, in woodshop at Albany High school. Decorated with a large bow and streamers, it was used as a money tree and container for frozen money (cold cash).

The Valentines toasted each other with engraved champagne glasses after cutting a three-tier silver and white cake. White gladioli and carnations, their wedding picture and white and silver bows, bells and streamers adorned the fireplace.

Married in International Falls, Minn., the couple received a card and blessing from the minister who married them. He now lives in Georgia. They received a congratulatory phone call from Mrs. Valentine's sister, Mrs. Earl Peterson of St. Paul, Minn.

Among out-of-town guests were Mr. and Mrs. Robert Peterson of Castro Valley, Mr. and Mrs. Derrel Bower of Marysville, Mr. and Mrs. John Greenan of San Jose, Mr. and Mrs. Arast Bodner of Napa, Mr. and Mrs. Edward Thomas of Vacaville, Mr. and Mrs. Robert Wilbur of Pleasanton, Mr. and Mrs. Wallace McCartney of Concord, Mrs. Katy

Albany residents have received their 1967 Christmas Seals, Mrs. Harold Olson, 727 San Pablo Ave., Albany chairman for the TB and Health Association of Alameda County, announced.

This year is especially important for your Christmas Seal Association," Mrs. Olson said. "Add-

ed income is needed to keep the big 40-foot Chestmobile rolling throughout the county, giving free chest X-rays, skin and breathing tests for the coming year."

In percentage of population tested, Albany leads all other areas in the county with the Chestmobile having tested 11 per cent of our population. The van gave 1,890 tests here. The nearest other Alameda county community, percentage-wise, was Newark with 6.7 per cent of its population tested.

More Helpful Hints From PG&E: Five handy tips on household safety.

A Little Dirt or Lint
can cause trouble. So make sure that burners and controls on your gas furnace, wall or floor heater are clean at all times. And clean or replace dirty furnace filters periodically.

Remember
to keep all stairs and walkways safely lighted. Always keep an extra supply of light bulbs and fuses on hand—and have a flashlight handy for replacing them.

Get Rid Of
rusted or loose fitting vent and flue pipes. Have them checked annually. And if you suspect a gas leak, CALL PG&E IMMEDIATELY.

It's Up To You
to practice good home safety habits. Don't place furniture or draperies over floor furnaces. Don't let gas accumulate before lighting a burner manually. And always make sure the burners on your range are off completely when not in use.

Once A Year
have your gas appliances thoroughly checked by your furnace man or plumber. While he's there he should make sure safety pilots are operating properly, air openings on burners are clean and burners set for a blue flame.

PG&E Is Ready To Help
If you call for a PG&E service man to check out any gas leak or inoperative gas appliance, ask him to show you where your gas pilots are located and how to go about relighting them. If repairs or parts are ever required for an appliance, call an appliance or furnace service man or your plumber.

Albaritos Nipped In Close Game

The Milpitas Avengers managed to get one more goal in the last few minutes and come out on top over the lighter weight Albaritos boys Saturday, Nov. 11, by a score of 2-1.

Showing great team improvement, the local team nearly took it themselves until the fading moments of the game as they began to tire and couldn't penetrate the Milpitas defense. Center-forward Reino Sipola booted in the lone score for the Albaritos.

Tough defense work by Douen Chandra at center half back and Bruce DeBenedictis at left full back, was particularly praised by Head Coach Lauri Rissanen and Coach Tibor Szenasi.

CAMILLA PARTINGTON
Long time Kensington resident Camilla Ellen Partington died in a local hospital. A native of Hieby, Denmark, she made her home at 1611 Oakview Ave.

She is survived by her husband, Fred; and sisters and brothers, Marie Chantelos and Ida Michelsen, both of Hieby, and Elnor and Vigo Michelsen, both of Lincoln, Kan.

Services were held at 1 p.m., Nov. 16, at the Ellis-Olson Drawing Room Chapel. Rev. A. K. Bauserman of the Berkeley Park Chapel officiated.
